

# Good README generator

---

## Description

Create a command-line application that dynamically generates a README.md from a user's input.

## Table of Contents

- [Installation](#)
- [Usage](#)
- [License](#)
- [Contributing](#)
- [Tests](#)
- [Questions](#)

## Installation

```
git clone https://github.com/jmuliaman97/README-generator.git
```

## Usage

Open terminal and the application will be invoked with the following command: `node index.js`

## License

MIT License

## Contributing

Pull requests are welcome

## Tests

Automated test for this project is unavailable
